

Southern NSW Local Health District is recruiting to this position on behalf of the Health ANSWERS Translational Research Collaboration

Director, HealthANSWERS

Are you a qualified academic or health professional with a track record in developing and growing research opportunity and capability – if so we want to hear from you?

HealthANSWERS is a collective partnership alliance which promotes and supports collaboration between health services, communities/consumers, and researchers to optimise health and wellbeing by:

- supporting research and evidence development.
- promoting service, academic and consumer collaboration, with a focus on current and emerging issues in regional health.
- capacity development and knowledge sharing for translational researchers.

We are looking to appoint a new Director for HealthANSWERS to lead us towards achievement of our vision and future incorporation and accreditation.
